

The Devonshire Association

Registered Charity 252468

Plant adaptation to Environment

Illustrated lecture by

Dr David Allen

at

Kilmington Village Hall

Wheelchair access

Wednesday 23rd September 2009

7.30pm to 9.30pm

Dr. David Allen was brought up in East Devon where he developed a keen interest in natural history at a young age. After about 30 years as an agricultural botanist, mostly in Africa, he returned to east Devon where he is now a member of the management group of the Blackdown Hills Area of Outstanding Natural Beauty, a voluntary warden with Natural England, and Vice-chairman of the Botany section of the Devonshire Association. He is the author of Wildflowers of the East Devon Coast; Heathland in East Devon and the Blackdown Hills; and Wildflowers and Common Trees of East Africa.

BOOKING: Fee: £10 (pensioners & DA members £9)

We would like to book..... tickets at..... each (for David Allen)
