

The Devonshire Association

Registered Charity 252468

‘Enjoying Insects. An Introduction to the World’s Most Successful Animals.’

Presented by **Dr. Robin Wootton**: University Honorary Fellow, formerly Reader in Insect Biomechanics, at The University of Exeter.

A **ten week** course on **Mondays from 7:00 p.m.- 9:00 p.m.**

starting 12th October 2009

at

Rougemont Room, St. Sidwell Centre, Sidwell St., Exeter

One minute from the bus station : wheelchair access.

Insects are fascinating, often beautiful - and they are everywhere. This course explores their extraordinary variety, subtleties of adaptation, life-histories, ways of making a living, importance in the world; where to look for them, how to attract them, to recognize them, to understand what they do; in short – to appreciate them.

Fee: £90 per person (pensioners & DA members £80)

Enjoying Insects:
